

Series-Based Abstract Photography

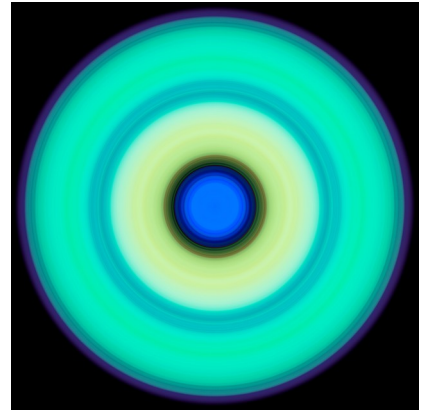

Color-saturated photographs made as single in-camera long exposures. Related works can be installed in groups of 3, 6, 9, or 12. Current public formats are square fine-art posters and black-wood framed prints in 12, 20, and 28 inch sizes; alternate formats and larger installations are quoted individually.

Series Installations

Three-piece grouping. Reception desks, executive offices, patient room corridors. Three matched-family pieces, equal sizing, color-tuned to the space.

Six-piece grouping. Boutique hotel lobbies, atrium walls, conference room series. A 2 by 3 grid in matched format, or a horizontal run.

Nine-piece grouping. Healthcare hallway runs, hotel guest floor signature walls. A 3 by 3 grid creates a strong, calm anchor.

Twelve-piece grouping. Atrium-scale installations. Four wide by three tall, or a continuous horizontal run for ground-floor lobby walls 30 feet and longer.

Trade Terms

Trade, volume, custom-size, and alternate-framing requests are quoted individually for verified business buyers. Availability is confirmed work by work; pieces committed to a gallery exhibition are not sold through the site. For a project quote, contact mike@mhillphoto.com or (515) 789-3621.
